

OUR TRIBUTE

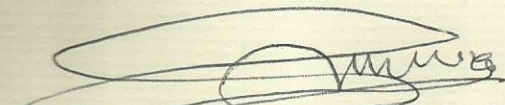

CAPTAIN IDAHOSA WELLS OKUNBO JP was a very dear in-law and son to us for over forty years. And because he and his wife, my dear niece and daughter, EVELYN EDAWEN lived in Lagos, and we were her parents in Lagos, this facilitated our closeness.

CAPTAIN IDAHOSA JP was a loving, kind, considerate, obedient and very respectful son. He was a man who valued family and cared deeply for our daughter and their children. He had an unwavering respect for our Benin traditions and the wisdom of the elders. He never once disobeyed any counsel my wife and I proffered on many occasions and we appreciated the honor and respect he bestowed on our family.

After retiring as a captain, he went into business and displayed an excellent business acumen and shrewdness with deep insight for matters of commerce. He attained great success in his business life and despite that he remained humble to the end. We were indeed very proud of him.

We commensurate with the children of **CAPTAIN IDAHOSA OKUNBO JP** and his entire family and friends for the loss of this icon in the family. We share in your deep sorrow and pray our God of great comfort will comfort us all and give us the strength to bear this loss without loss of faith in the Lord's goodness. Our son and in-law has gone too soon but almighty God knows best and we pray eternal rest and peace for his soul, Amen.

With sincere condolences from
