

**A TRIBUTE TO MY DEARLY BELOVED BROTHER-IN-LAW –
CAPT. (DR.) IDAHOSA WELLS OKUNBO (JP).**

The Okunbo family and the nation lost a kind-hearted father, brother, mentor, astute businessman and leader par-excellence.

I pen this down knowing that the Almighty God called you home for more excellent service.

Capt. (Dr.) Idahosa Wells Okunbo! You were an angel that walked amongst us.

You showed genuine kindness and love to all, and you always created an ambience of joy and happiness around you.

I am honored to have known you over the years both as a family member and an employee. Indeed, you were like a father to me. I miss you dearly.

Your generosity was legendary and you showed amazing humility and deference to the wisdom of others. This made you to be a man with excellent depth of knowledge and understanding.

You left your footprint in the sands of time and we will strive to continue the legacy you left behind.

It is most painful that you are not here with us, but I am comforted to know that you are in a better place, and I will cherish the memories you left behind for the rest of my life.

I pray that God will give us the fortitude to bear this irreplaceable loss.

Dwell in God's bosom where you belong.

ADIEU TO AN ASTUTE LEADER & A RECORD-BREAKER!!!

Mrs. Eseosa Sandra Okunbor
