TRIBUTE TO LATE CAPTAIN (DR) IDAHOSA WELLS OKUNBO (JP)

To live in the hearts of your beloved ones is not to die.

My mentor and role model, you are forever engraved in all the hearts and lives that you touched.

Even as words defy the pain of your physical absence, our comfort lies in the legacies of your good deeds and the unquantifiable impacts of your unsparing humanitarian gestures.

Though the tears will continue to flow but the comforting legacies shall forever be our succour.

May your good soul find eternal repose in the bosom of the Most High God.

Amen!

Yours sincerely,

For: Westminster Security Solutions Nigeria Limited
