TRIBUTE TO MY BEST FRIEND AND BROTHER

How and where do I start? I am so shocked and sad writing this tribute for you. No words can fully express how I feel about your sudden passing on Sunday the 8th of August 2021. I ran out of the Church wailing, when I got the news. I am still trying to process the fact that you are no longer with us. What a monumental Loss!

“**Inwhi**”, as I used to call you, we enjoyed an uninterrupted friendship for over 43 years after leaving Federal Government College Warri in 1975. Our paths crossed again in Zaria in 1978 at the Aviation school. We chatted almost every day while you were in London. Little did I know that we would never see again...No Goodbyes. I am going to miss you greatly.

“**Inwhi**”, my best friend and brother, you were such a formidable, assertive, hardworking and an extra-ordinary person of greatness, courage and industry. Your commitment to every aspect of life was commendable. You touched so many lives and took care of people. As you use to say: “I have conquered the air, the sea and the land”. My beloved brother Captain Hosa Wells Okunbo, You truly came, you saw, you conquered and left an indelible mark.

May the Good Lord comfort your Family, Friends and Loved ones for this great Loss. We shall meet again on resurrection Morning to part no more. You shall be sorely missed.

Adieu my beloved brother and friend. Rest well in the bosom of our Lord, till we meet again.

Evelyn Shawcross-Obioha (Mrs.)
