The Family of Late Captain Hosa Okunbo
Attention : Osahon Okunbo

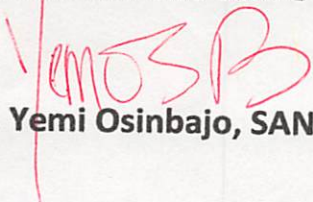

CONDOLENCE

Dolly and I send our deepest condolences to your family on the painful passing of your father, our dear friend and brother , Captain Hosa Wells Okunbo.

Captain Hosa was a dependable friend, an invaluable member of the All Progressives Congress Party who was also extremely pivotal to the achievements of our great party in many respects. On several occasions, we relied on his knack for building bridges and forging strong relationships to navigate the political terrain. His large heart and generous spirit endeared him to young and old alike and you could always tell that he genuinely loved his people. I was constantly captivated by Captain's calm mien, remarkable perseverance and disposition to resolving even the most difficult of confrontations with a sensible and purposeful approach. He was a true gentleman.

We miss him so much , but we take solace in the fact that while he was with us he lived a life of remarkable vitality and positive impact on his community and the nation. He has left a worthy legacy in his children and grandchildren and for this we are also grateful.

We pray for you all that God's love and peace on you be unending. May He comfort you as no one else can. Our thoughts and prayers are with you.
