LETTER OF CONDOLENCE

It is with great shock that I received the news of the passing to glory of your former Chairman, Late **Captain (Dr.) Idahosa Wells Okunbo**, whose death occurred on 8th of August, 2021 after a brief illness.

I sincerely commiserate with you at this time of your grief and pray for the fortitude to bear this irreparable loss, but to be consoled by the words of Shakespeare. ***"Death is a necessary end; it comes when it come"*** it is not how long we lived in this world but how well we lived our life.

The decision of the Almighty God has always been in our best interest, though tough to bear sometimes. We accept it and He remains Lord all times.

May his gentle should rest in peace.

Once again accept my deepest sympathy.

Hon. Wami Solomon
