LETTER OF CONDOLENCE

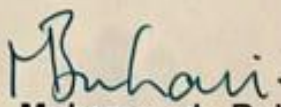

Please accept my heartfelt commiseration on the passage of Captain (Dr) Idahosa Wells Okunbo (JP), 1958-2021.

Losing a loved one at the age 63 is rather early and painful, but we submit to the perfect will of the Almighty God. From Him we come, and to Him we return, at His own time.

We are, however, comforted by the uncommon success, which the life of Captain Okunbo was. He left his footprints on the sands of time as Chairman of Ocean Marine Solutions Limited, and also had investments spanning the petroleum, telecommunications, maritime, and power sectors. He contributed immensely to the development of the Nigerian economy, providing sustenance to many families in the process.

As I pray for the repose of his soul, I urge those who mourn the departed to sustain his legacies of good spirits and generous disposition.

May God comfort you, and the whole family.

Muhammadu Buhari
